MISSION

“To Integrate With the Indian Educational Service Group by Propagating Value Based Education and Preparing Pupils for Initiation into a Higher Life by Associating them with the National, Social & Cultural Environment”

PROFILE

As a mission to serve student community, Berar General Education Society started Berar Arts College in the year 1937. In 1938, the college was renamed as Sitabai Arts College after the donor name, Late Smt. Sitabai Jain. In the year 1958, commerce faculty was added to the college to cope with the rapid growth of this faculty.

It was felt necessary to make commerce faculty as an independent unit. A great philanthropist of Akola, Seth Radhakisan Toshniwal, in the fond memory of his wife Smt. Laxmibai donated a piece of land measuring about 3 acres with a handsome amount to establish a separate commerce college. The noble well wishes finally led to establishment of Smt. Laxmibai Radhakisan Toshniwal College of Commerce, as a separate unit in the year 1964. Since then it has been working as a separate institution of commerce education in western part of Vidarbha.

Initially the college imparted instruction up to undergraduate courses only. But to cater to the needs of the students community in the commerce faculty, postgraduate courses were added from the year 1972. From 1975-76, Government of Maharashtra adopted and implemented 10+2+3 pattern of education. So, Government granted permission to open XI and XII classes. Therefore from this year, junior college attached to senior college.

To meet the needs of training the students of this region, in the field of business management, marketing and industrial relations, three postgraduate courses were added, i.e. Diploma in Business Management (D.B.M.) Diploma in Marketing Management (D.M.M.) and Master of Industrial relation and Personal Management (M.I.R.P.M.). The range of the professional courses is widening with the introduction of Diploma in Taxation (D. Tax.) and Diploma in Financial Management (D.F.M.) in the year 2006.

To encourage research in the faculty of commerce, M.Phil. Course was also introduced in the year 1983. In the same year C.lib. a job oriented certificate course in Library Science was introduced which has been assuring opportunities for the employment of the students. The college is running District Study Centre of Yashwantrao Chavan Maharashtra Open University, Nashik (YCMOU) since 1990. Under its jurisdiction the Open University course such as Preparatory, B.A., B.Com., B.Lib. Sc., M.Lib. Sc., D.J., B.J., MBA, M.Com. are available for needy students.

At the outset of new millennium, computer science courses were acknowledged and finally established in the Department of Computer Management and Cyber Commerce in the year 2000. The Department is conducting the postgraduate Courses in Computer Management – viz. M.C.M.

Three career oriented course have been started from the academic session 2006-07. These are E-commerce, Event Management & Tourism Management. For the smooth conduct of these courses a separate department of Career Oriented UGC Programme is established. From the academic year 2009-10, a new job oriented course in Web-Designing & Office Automation has been introduced.

Thus, it is obvious that the college covers a wide range of programme options for the benefit and development of the students of commerce faculty. The result of rendering the knowledge and welfare facilities, transformed the college into the largest single faculty Commerce College with academic as well as professional commerce education, having a largest number of students. It has been an ideal centre for conducting Ph.D. work of research scholars. The accomplishment graph of the college since its inception has been rising continuously higher every year by producing meritorious students in the jurisdiction of S. G. B. Amravati University, Amravati.

The alumnae of the college hold prestigious positions in politics, public administration, educational institution, judiciary, banking and insurance and many other sectors. They are poets, writers, journalists, traders, business executives, chartered accountants, tax and legal practitioners. Businessmen & industrialists, share & stock brokers, astrologers and palmists, state and national players, are working in the diverse fields in India and abroad with the living memory and message of the college.

GOALS & OBJECTIVES OF THE INSTITUTION

- a) To improve the quality of commerce education through sustained efforts towards attaining in excellence.
- b) To develop a human person with desirable abilities, proficiencies, attitudes, value and qualities of Self-confidence as good citizens of the country.
- c) To develop culturally conscious individuals with pride in the country and the desire to contribute to its development as good citizens of the country.
- d) To kindle a desire for preserving and promoting democracy, secularism, equality, social justice & ethics.
- e) To make students competent enough to be self-reliant.
- f) To develop sound physical health & fitness for undertaking physical activities demanding dexterity, diligence & hard work.
- g) To assist the students in acquiring the ability of problem-solving, decision making & of facing the unforeseen situations.
- h) To promote a sense of self respect and dignity among the weaker sections of society.
- i) To build up financial self-sufficiency by undertaking academic & allied programmes & resource generating services.
- j) To achieve high learning standards for preparing a sound educational base for pursuing higher education and
- k) To become a component of Indian Educational Service Group having a competitive edge to confront challenges of higher education.
