## **SMT. LAXMIBAI RADHAKISAN TOSHNIWAL COLLEGE OF COMMERCE, AKOLA**

### **7.2 – Best Practices**

#### **Best Practices Implemented by the Institution**

##### **Activity I :-Felicitation Programme :**

##### **Objectives :**

The college organizes a grand programme of yearly felicitation of teaching and non- teaching staff members and UG and PG students for their outstanding achievements in that session. The objectives of this practice are as below –

- a) To encourage the students and staff members achieve great heights in academics.
- b) To maintain the quality of education and teaching in the college through supporting students and faculty members for continuous progress.

##### **The Context and Practice:**

The students of the college are securing good positions in the merit list since last two decades. To maintain this educational heritage and quality atmosphere the students are felicitated in an annual function every year. The faculty members are always grooming their knowledge and skills for better teaching process. Many members have successfully completed Major Project and Minor Project of UGC. Books have been published by faculty members and they are felicitated for such type of outstanding achievements in an annual felicitation programme to boost their morale.

##### **Evidence of Success:**

The practice has proved to be beneficial as the students continue to maintain their names in University Merit lists and also in Sports, Cultural, N.S.S. and N.C.C. fields. The selection of students of state or national level is increasing per year as the felicitation boosts the moral of students and creates a spirit of competition. The Faculty members also try their best in research, in academic filed, in publishing books and in securing positions in Board of Studies of the University. The felicitation programme plays great role in boosting their moral and providing support to give their best for the college.

**Problems:** No major problems have been encountered till date.

## **Activity II:- Development and maintenance of Medicinal plants garden :**

### **Objectives:**

The institute had tried to make students aware about traditional Indian method of treatment and use of medicinal plants in day to day life.

### **The Context and Practice :**

The young generation should be made aware about day to day health issues and simple ways of treatments. For this purpose the students should be introduced to Medicinal plants herbs and shrubs in their surroundings .Cough cold some skin problems muscle pain can be easily cured with these medicinal plants herbs and shrubs. Only the condition is one should know the plants and their uses properly.For this the institute has taken an initiative for creation of medicinal plants garden in the premises of the institute.The medicinal plants were bought from Panjabrao Deshmukh Agriculture University- Narjun Vanaushadhi Udyan and planted in garden .The bar code stickers were generated for all plants using their information on wikipedia. Any one can scan these stickers using Mobile phone and get complete information of the plant with its images and medicinal uses also.

### **Evidence of Success:**

Many students started gathering information of Medicinal plants in college garden and using Wikipedia and Came forward for their queries.Many of them had planted some plants in their home gardens and started regular use of plants like lemongrass, Adulsa Tulsi Aloe vera Pudina Haldi Nirgudi for minor health issues of their family members.

### **Problems:**

No major problems have been encountered till date.
