SUPPORTING DOCUMENTS

7.1.1 Measures initiated by the Institution for the promotion of gender equity during the last five years.

The following are the *measures initiated by the Institution for the promotion of gender equity during the last five years.*

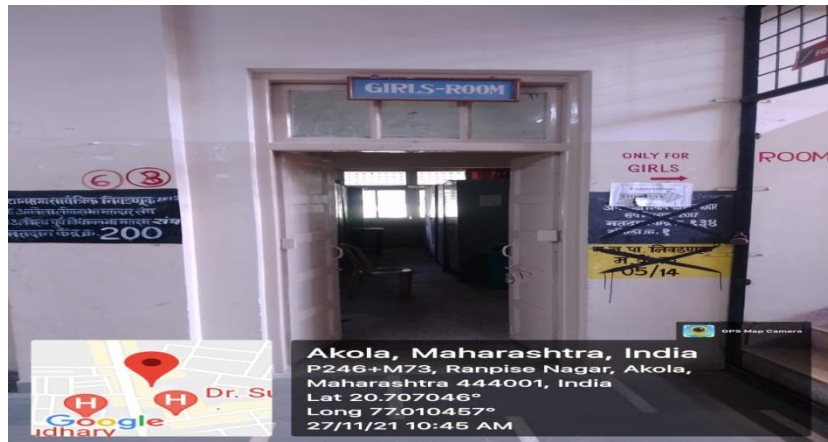

For Safety and security:

Safety and security of the girl's students has given the top priority in the institute. CCTV cameras are there in the premises, anti-ragging committee, anti-sexual harassment committee have been formed, for the purpose complaint box has been provided in the premises so that the girls students can submit their complaints even without knowing their names. The I-cards are made compulsory for the students and it is mandatory for all to produce I- cards on the gate for entry. There is a separate staircase, separate common room and separate washing room, toilet for girl's students, moreover the mentors of the classes take care of girls students, the girls can share their personal problems medical problems.

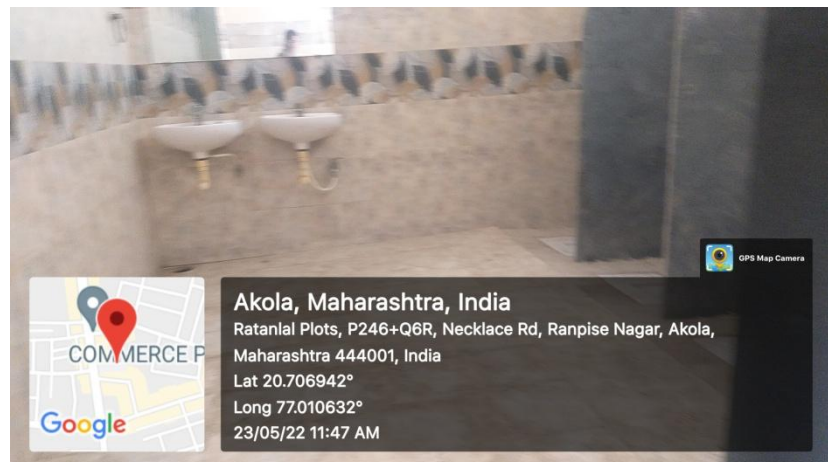

. related to study with these mentors.
